Mouse Hover Action

```
1  //
2  const {test, expect}= require('@playwright/test')
3
4  test ('Mouse hover', async ({page})⇒{
5
6      await page.goto('https://demo.opencart.com/')
7
8      const desktops=await page.locator('//a[normalize-space()="Desktops"]')
9      const macbook=await page.locator('//a[normalize-space()="Mac (1)"]')
10
11     //mouse hover
12     await desktops.hover()
13     await macbook.hover()
14
15     await page.waitForTimeout(5000)
16
17 })
```
